FEBRUARY 2017 REPRINT

SECOND EDITION

HAESLOOP AGENCIES_{cc}

Quick off the mark and a jump ahead!

TELEPHONE: + 27 31 714 3333

Suppliers to footwear and clothing manufacturers, leatherworkers and signwriters. Industrial & electro fasteners.

HISTORY - Haesloop Agencies cc has been in Pinetown (outside Durban, South Africa) since the early 1950's, and specializes in the supply of small metal and plastic components for the shoe and clothing manufacturing industries of South Africa. Starting as an indent agent for five German metal shoe component manufacturers, JH Haesloop was able to supply super-high quality raw materials at post-war-Germany prices. During the 1960's the ever-increasing demand for shorter delivery times (sea-freight took at least 3½ months!) caused RH Haesloop to make the bold move of holding stock. This continues to be a strength of the business today with bulk stocks of the most common six hundred products (many showed in this catalogue) and large quantities of the other six thousand core products.

QUICK DELIVERY - Being geographically located right in the hub of the South African footwear and clothing industry, customers in this greater Durban-Pietermaritzburg area enjoy daily free delivery (minimums apply!) of their goods to their door while customers as far a field as Zambia and Kenya benefit from frequent mainline road and air deliveries, very often ex-stock.

WIDE RANGE - Almost all metal products are available ex-stock in various metallic finishes and special finishes may be matched and electroplated (up to three days). Dying, stripping and painting of all other products can usually also be arranged.

HOW TO GET THE BEST DEAL:

We are often asked the impossible, and this we do immediately. Miracles take a little longer. In our long experience we have found that good planning on the customer's part leads to higher quality products, lower prices, faster delivery, happier customers and long business relations.

We hope that this catalogue will help you make the best choice of fastener or trim.

CHOOSE WELL - ANTICIPATE USE - ORDER EARLY

THIS CATALOGUE IS ALSO AVAILABLE ON-LINE AT

www.haesloop.co.za

NEED ANOTHER COPY? Send us your details and we will get one to you. Just phone, fax, email or visit www.haesloop.co.za

NEED SAMPLES? Tell us exactly what you need (please use references, page numbers, sizes etc!) and we will get them to you. Just phone, fax, email or visit www.haesloop.co.za

Please note that colours and sizes of the products shown in this catalogue may vary slightly from time to time. While every effort has been made to produce accurate, life-size and true to colour images, we cannot be held responsible for variations in colour and dimensions. PLEASE ASK FOR ACTUAL SAMPLES BEFORE PLACING ORDERS!

New catalogue being collated, designed, and printed by Apple Pie Graphics. With a bit of luck perhaps the online shop will be up later this year. Any outstanding web builders out there keen?

Kindly confirm any specific sizes,

fastening equipment

MANUAL
HAND PRESS

PNEUMATIC FOOT PRESS

HAESLOOP "UNBREAKABLE" HAND PRESSES

Available from standard, to long-handled, deep throated, non-standard threaded etc.

Basic model is threaded by industry standard 6M (6mm metric) with conventional 12mm bottom die slot & therefore compatible with all other modern European, American & Asian die supplies. All parts replacable & usually in stock. 1800 Haesloop machines presently in operation! Ideal for design work, sampling & small-run production.

MARKING PEN REFILL

HAND PUNCH

To make holes. Available in 3mm to 50mm

DIES

We stock a full range of inter-changeable cutting, punching, crimping, splitting and rolling dies for manual and automatic presses

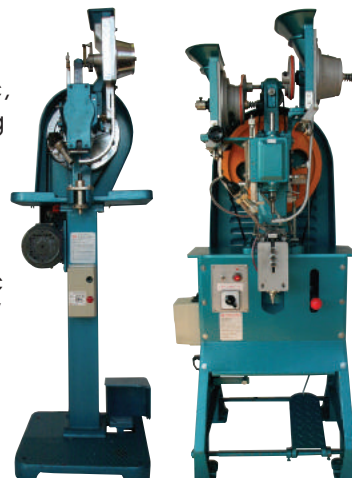

HAND TOOLS

Rotary punches (above), knife punches, tarpaulin hammer dies, thickness guages & micrometres available.

HEF18-S

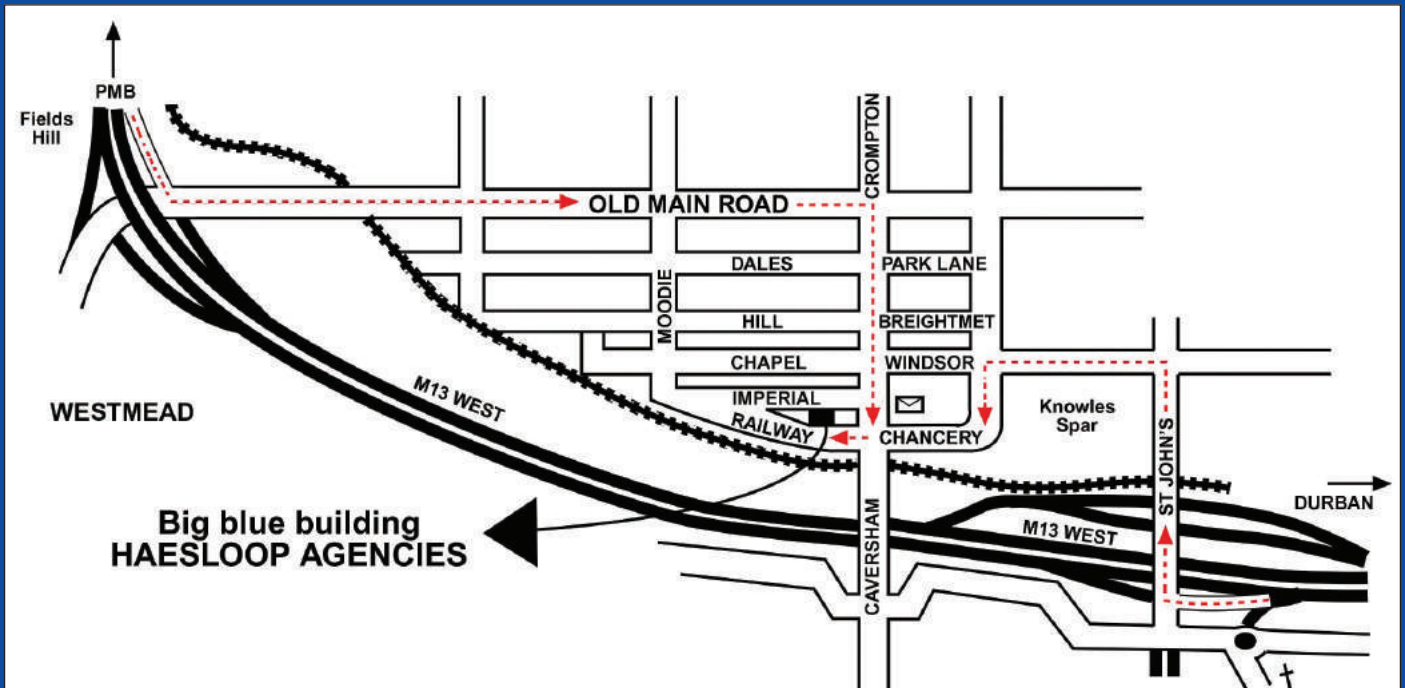

Semi-automatic, quiet eyeletting machine with locator light & safety bar. Available in 220V (domestic supply) or 380V (three phase industrial supply).

HEF25-S

Fully-automatic, quiet eyelet & washer feed fastening machine with locator light & safety bar. Available in 380V supply only.
